

THERE IS ADVENTURE IN SOUND...

The Atlanta Radio Theatre Company has been bringing quality audio drama to listeners around the world since 1984. Join us in our celebration of the imagination as we preserve this vital, vibrant art form. Our unique, immersive, dramatic technique will feed your imagination and inspire your senses with realistic sound effects and stirring musical scores. Audio drama and radio theatre were seemingly left behind, but the power of stories lives on.

Come discover that There is Adventure in Sound!

If you enjoyed today's program, help support audio drama with your purchase of some of our fine studio recordings!
