

THERE IS ADVENTURE IN SOUND!

Atlanta Radio Theatre Company (ARTC) has been bringing quality audio drama to listeners around the world since 1984. Join us in our celebration of the imagination as we preserve this vital, vibrant art form.

ARTC creates all-original audio drama adding a modern angle to the old storytelling form of radio drama. Our unique, immersive, dramatic technique will feed your imagination and inspire your senses with realistic sound effects and stirring musical scores.

H. P. LOVECRAFT

THE COLOUR
OUT OF SPACE

A FAMILY DIED UP THERE... OF
A POISONED WELL...

The Blasted Heath, they called it. Five acres of grey desolation like a sore eaten into the land. No vegetation. Only a fine grey dust which no wind could move. When I went into the hills, they told me in Arkham that the land was evil...

DROP BY OUR FAN TABLE TO PICK UP OUR LATEST JOURNEY INTO COSMIC HORROR BY THE MASTER OF THE GENRE, H. P. LOVECRAFT!

ARTC is a volunteer organization. If you are interested in giving your time in exchange for learning about the craft of audio drama, we'd love to hear from you.
